

Q&A

What is UChoose Rewards®?

UChoose Rewards is a rewards program where you earn points for choosing to use your Windsor Locks Credit Union Visa® Debit Card. Redeem your points for anything of your choice from a huge online rewards catalog.

How do I earn points?

You earn 1 point per \$2 every time you choose to use your Visa® Debit Card. When shopping in-store, select credit and sign for your purchases.

Where can I earn points?

You earn points everywhere your card is accepted.

When can I redeem points?

It can take up to 40 days for your points to be credited to your account. You must accumulate 1,500 points before you can redeem your points. We keep track of all the points you earn and will help you find just what you're looking for when you're ready to redeem. We even have a Wish List Tracker that will let you know when you've earned enough to redeem a specific item.

Can I share points with family members?

All cards within an account automatically earn points together. In addition, if you have multiple debit accounts with Windsor Locks Credit Union you can link them together to earn rewards faster.

Where can I view my point activity?

You can access the history of your point activity through www.uchooserewards.com.

How much does it cost to participate?

There's no cost. Membership in UChoose Rewards is absolutely free for Windsor Locks Credit Union cardholders, so start using your card and earning points today.
